gisttogether.com

An online hub for gastrointestinal stromal tumor (GIST) patients, developed and sponsored by Deciphera Pharmaceuticals.

GISTTogether connects patients and care partners with information and resources to help them in their GIST journey.

The Life Raft Group (LRG)* is a patient support organization committed to individuals living with GIST. Their mission is to focus on research, education, advocacy, and empowerment for all GIST patients.

Support resources include:

- Patient Resource Toolkit
- Clinical Trial Database
- Financial Aid Programs
- Mentorship Programs
- GIST Community Educational Events (virtual and in-person)

GIST Support International (GSI)* is an all-volunteer organization that provides education and support to GIST patients and their families. In addition, GSI supports ongoing GIST research.

Support resources include:

- GIST Educational Brochures/Resource Links
- Online Support Communities (email newsletters, Facebook group)
- GIST Information Support and Therapy Summits
- Patient Stories
- “Ask the Professional” Series (questions on GIST posed to healthcare professionals)
